Important CE Course Details

Saturday, October 16, 2021

**Philadelphia College of Osteopathic Medicine – Evans Hall
4170 City Avenue, Philadelphia, PA**

RISK MANAGEMENT AND CHALLENGES IN DENTISTRY AND RADIOLOGY REVIEW

CPR SESSION I: 7:00 AM – 8:00 AM CPR SESSION II: 8:00 AM – 9:00 AM CPR SESSION III: 3:00 PM – 4:00 PM
(Session I & III are for those who are registered for the live CE course. Session II is for those not taking the live courses.)

ARRIVAL:

Please arrive at least 15-20 minutes prior to your course time to sign in. There are also other events scheduled at the school in addition to our course so please allow time for parking as well as travel.

CPR: (IF YOU ARE PRE-REGISTERED FOR CPR)

Since this is only a one-hour recertification course, the instructor will not allow you to enter the class once it has started. If you are coming just for CPR at 7:00 AM, please arrive 15-20 minutes prior to the class start time, allowing enough time for parking and check in.

BREAKFAST & LUNCH:

A continental breakfast as well as lunch will be served when registering for the CE courses. You can specify dietary restrictions ahead of time when registering. If you registered over the phone and you have a dietary restriction (vegetarian or allergy), please notify our office immediately so we can note that in your file. We would need to inform catering BEFORE 10/1.

REFUND POLICY:

To receive a refund or a credit, cancellations must be made by 10/3/2021. Please note, should you need to cancel your attendance for the live CE course, we cannot issue you a refund if you have already received the CE credits for the complimentary four medical emergency online courses.

PARKING:

There is a parking garage located directly next to Evans Hall on Stout Road. There are two entrances into the garage. You can get to one of the entrances from an unnamed alley by turning onto that alley from either City Avenue or from Stout Road, and the second entrance is a small road off of Monument Road that also isn't named but there is a PCOM sign that marks it (the road is between the Overmont House and 6ABC News). The cost for the parking garage is \$8.00 and you must hold on to your parking ticket. There is a \$5.00 fee for lost parking tickets. They accept Visa or MasterCard only. NO CASH. There is also free parking on the street if you can find a spot.

Should you have any questions, please contact our office prior to the event date. Please note we will **NOT** be in the office the day of the course.

FACE MASKS WILL BE REQUIRED.
